LETTER No. SBIROWA/2025/001

DATE: 25/01/2025

To

The Chairman

State Bank of India,

Corporate Centre, Mumbai

Dear Sir,

INTRODUCTION OF SPECIAL PAY TO SUPERVISING STAFF

EFFECTIVE DATE OF IMPLEMENTATION

Greetings for the New Year 2025...!!!

At the outset, we are candid in appreciating you as a man of empathy and have always valued your commitment towards the employees. We also thank the Top Management for clearing a long pending issue of Officers and have restored Pay Parity between an officer and award staff by way of newly introduced **Special Pay** for all serving Officers, effective from 1st Aug, 2024.

2. We take this opportunity in introducing ourselves as a recently formed and duly registered Association under The Societies Registration Act, 1860, which would be specified as the “**S.B.I. Retired Officers Welfare Association (SBIROWA)**”, and would be representing the interests of retired officers/ pensioners of SBI among other things as well. The Copy of our Registration Certificate & Memorandum of Association (MOA) are attached for the ready reference.

3. We are the erstwhile SBI Officers, who have since put in around 30-40 years of dedicated service to our esteemed Bank and our connection with the Bank was amenable for most of the times.

4. Sir, you are conscious of the historical background of Special Pay, which was represented in 2021 by our AISBIOF and on many occasions to the Bank, when award staff's Special Pay was hiked by 177 percent (i.e. from Rs.3,970/- for 2012-17 to Rs.11,000/- for 2017- 22 period), thereby creating a disparity between supervising and award staff. The special pay for award staff was also ranks for superannuation benefits. This increase in Special Pay to award staff created a disparity among officers and award staff especially in computation of pension w.e.f. 1st Nov, 2017.

5. Sir, you are aware that since 2021 the issue of special pay has been a topmost agenda in every Central Negotiating Committee (CNC) meeting. After the AISBOF presented a detailed analytical paper to the bank for working out this disparity and after due examination, the bank had also accepted the argument of the Federation and we were given positive annotations by the Bank during the CNC.

6. Finally, this disparity is rectified by the Bank, but with effect from 01st August, 2024 instead the date of our demand i.e. 1st November, 2017. Therefore, We, the Retired Officers of the material period i.e. from 1st November, 2017 to 31st July, 2024, now the Pensioners, are still affected ones on account of this disparity, and have been overlooked by the bank in this case. By not extending this benefit to the retirees, who retired between the period as mentioned herein above, have major implications to the superannuation benefits of such Pensioners & the disparity has resulted into a lower pension and overall financial insecurity in retirement, which is purely a sustenance to them. This disparity gets uniformly corrected once we extend the ambit of Special Pay by giving the retrospective benefit for all those affected Officers, who have now been superannuated & were in service during the period between 1st November, 2017 and up to 31st July, 2024.

7. Considering the importance of the issue and its decisive impact on Pensioners, we would humbly like to request you to please reconsider to change the effective date of implementation of Special Pay to supervising staff from 01st August, 2024 to 01st November, 2017. Further, we request for a meeting with you or your designated representative to discuss this matter in detail. We are hopeful that an open and constructive dialogue is needed to arrive at a solution that addresses the grievances of our retired Officers on this count. We look forward to a positive response from your end.

Thank you for your valuable time and consideration.

Yours sincerely,
