Dear Friends,

It is deeply unfortunate that a **misleading message** has recently been circulated in the names of Shri G.K. Gandhi (Federation President) and Shri Mukul Tripathi (General Secretary, Bhopal Circle Pensioners Association), **casting aspersions upon our Association**. We remain respectfully doubtful of the message's authenticity, given their stature and demonstrated competence.

This message labels our Association as "unauthorized"—a claim that is both baseless and shocking. Our Association is duly registered under the Societies Registration Act of 1860. **What authority does anyone hold to question our legitimacy?** Registration under law is the very definition of authorization.

Let us be clear: this unfounded attack betrays a sense of insecurity. Our Association has been the *only* body to boldly take up the **"Special Pay" Issue, focusing exclusively on retiree officers**—an issue no other pensioners' association, federation, or officers' body has addressed. Their attempt to equate Special Pay with Special Allowance is not only incorrect but dangerously misleading.

To our fellow pensioners we ask: are we not entitled to our legitimate dues? **Have these critics ever themselves raised the Special Pay Issue with the Bank?**

Let us not be swayed by such campaigns of misinformation. Instead, **let's redouble our efforts to strengthen our Association**. By expanding our membership and collective resolve, we can ensure that the Bank must recognize us—not just for Special Pay, but for every issue concerning Retired Officers.

Our Unity Zindabad.

Warm regards,

Umesh Rastogi
